# Why Publishers work with us

- Working on exclusive formats including skinning, slider and various native integration.
- We generally do MGs and 100% fills and hence publishers sign up.
- We generally affect publisher's bottom line without disturbing their current user experience.
- Being ahead of the curve looking at various models to provide them low latency, better ads etc. through optimized async code, server to server header bidding (moving towards that) etc.
- Bringing publishers new content partnerships with Video to bring in newer revenue streams.
- Self Service Platform to generate ad units per your interest.
- Simple Header Bidding wrappers for our ad units which increase their yield.

# Video/Impact Solution

For Supply Partners:

High Quality Content that knows how to:

-  Engage the user.
-  Monetize publisher revenue.

For Demand Partners:

- Over a 800 million monthly imps available.
- Fraud free traffic verified by Fraud Detection Tool – Forensiq and WhiteOps.
- High ROI. 

# Programmatic Opportunities

## For Supply Partners:

- Programmatic and direct deals
- [OpenRTB 2.3](#) integration for banner, native and video.
- In-app and SDK.
- Header bidding/Standard IABs and other Rich media integrations.

## For Demand Partners:

-  Insights in seconds.
